

What's New at the Alternative Fuels Data Center AUGUST 2001

Listed below are new publications and other information made available in August through the U.S. Department of Energy's Alternative Fuels Data Center managed by the National Renewable Energy Laboratory. For more information or questions, contact Wendy Dafoe at wendy_dafoe@nrel.gov, or call 303-275-4470.

Current and past issues of this report are now available in pdf format on the Web at http://www.ccities.doe.gov/toolbox/coord_news.shtml.

NEW INFORMATION AND PUBLICATIONS

Some documents are available in hard copy, as indicated below. For hard copies call the Hotline at 1-800-CCITIES.

- ◆ Read about the Atlanta Coalition and **Kent Igleheart** receiving the 2001 Coordinator of the Year award at <http://www.afdc.doe.gov/pdfs/igleheart.pdf>. Hard copies available.
- ◆ The **2002 Clean Cities Conference** will be in Oklahoma City. You'll find the new conference Web site at: <http://www.ccities.doe.gov/okconference.shtml>
- ◆ The **Central Oklahoma Clean Cities Coalition** also has a new Web page up at <http://www.ccities.doe.gov/okconference.shtml>. There's a great intro video, check it out.
- ◆ We have some copies of the **Fueling the Future** poster produced by the Salt Lake City Coalition. Call the Hotline if you'd like a hard copy.
- ◆ *Inside the Greenhouse*, a publication of EPA's State and Local Climate Change Program is available at <http://www.epa.gov/globalwarming/greenhouse/>, and is linked from the Periodicals page (<http://www.afdc.doe.gov/periodicals.html>). To subscribe to this or other EPA climate change listservs go to <http://www.epa.gov/globalwarming/visitorcenter/lists.html>
- ◆ Also new on the Periodicals page is a link to the **Biobased Products and Bioenergy Newsletter** produced by DOE's National Biobased Products and Bioenergy Coordination Office. Published monthly it summarizes significant events that involve DOE and activities in developing biobased products and bioenergy. Also, has a section on Solicitations and Awards. Distributed via e-mail, and also available on-line at <http://www.bioproducts-bioenergy.gov>. To subscribe contact Seema Vyas at svyas@energeticsinc.com.
- ◆ There's a new Federal Government section on the Success Stories page <http://www.ccities.doe.gov/success.shtml>.
